

Pocket Pro Low Range Conductivity Tester

Product #: 9531400
AED Price: Contact Hach

Take The Guesswork Out of Your Measurements.

Hach Pocket Pro and Pro+ deliver accurate results with built in diagnostics, replaceable batteries, and a large, easy-to-read LCD screen.

Confidence in results

Easy calibration steps take the guesswork out of calibrating the sensor to keep it in optimum condition.

Saves time and money

Easy to replace AAA batteries and convenient sample cup make maintenance and measurements simple

Ease of use

The large LCD screen is easy to read; backlighting is included on Pocket Pro⁺ models, allowing measurement in almost any lighting environment.
