

Reagent Disposal Request Form

HACH LANGE strives to ensure it acts in a responsible way regarding the potential impact of our products on the environment, by recycling wherever possible.

To place an order to dispose/recycle your used reagents, please complete the recycling request form below (ensuring all mandatory fields* are filled in). Click submit via email and await pick-up confirmation.

You can also fax this form to: 0161 848 7324.

It's easy to recycle! Just fill in the disposal request form.
