

## AD3700 sc Digital gateway for inductive conductivity sensors

**Product #:** 6120800.99  
**AED Price:** Contact Hach

Connection of analogue 3700 inductive conductivity sensors to the digital SC controller.

---

### Specifications

Communication:	MODBUS
Diameter:	34 mm
Electrode compatibility:	All 3700 inductive conductivity sensors
Length:	175 mm
Measuring range:	0.0 - 2000000 $\mu$ S/cm
Operating temperature range:	-20 - 60 °C at 0 - 95% RH (non-condensing)
Weight:	0.145 kg
