Pocket Pro Salinity Tester

Product #:   **9531600**

AED Price: Contact Hach

Take The Guesswork Out of Your Measurements.

Hach Pocket Pro and Pro+ deliver accurate results with built in diagnostics, replaceable batteries, and a large, easy-to-read LCD screen.

Confidence in results
Easy calibration steps take the guesswork out of calibrating the sensor to keep it in optimum condition.

Saves time and money
Easy to replace AAA batteries and convenient sample cup make maintenance and measurements simple

Ease of use
The large LCD screen is easy to read; backlighting is included on Pocket Pro+ models, allowing measurement in almost any lighting environment.
